THE SPACE

Right behind all the hustle and bustle in the dining room is a space meant for your group to be the talk of the town. With your own private service team, TVs, and the freedom to decorate the tables to your heart’s desire, the Milly Ray Room is a great place to host a birthday party or family reunion. The space overlooks the rest of the restaurant, so you’re never closed off from the fun — you’ll remain part of the entire Max and Louie’s family, just with a little less traffic.

Before you book, here’s what you need to know about timing, spend minimums, deposits, and the rest of our private event policies.

BOOKING TIME

After reviewing these guidelines, you can submit our private room request form. While entering event start and end time, please select the time you would like to have access to the room. Due to multiple other bookings per day, the room will not be available to you until your chosen start time. Please give yourself enough time for any setup or breakdown needed.

SPEND MINIMUMS Based on a standard 2.5-hour booking window. Spend minimums include gratuity, tax, and all fees. *Early arrivals, late cancellations, or a breach of contract will incur additional charges.*

Total Spend Minimum	Breakfast	Brunch/Lunch	Dinner
Mon-Thu	\$525.00	\$750.00	\$950.00
Fri, Sat, Sun, & Holidays	\$1,650.00	\$1,650.00	\$1,650.00
Indoor event space on Fri/Sat/Sun/Holidays is available 7am–10am or 3pm–6pm only. Ask about patio reservations for other booking windows. If your spend minimum falls below the threshold, the balance will be charged as an unmet minimum. Once your form is submitted and reviewed, you’ll receive a full cost breakdown. Quotes are free.			

LOOKING TO FEED A BIGGER CROWD OFF-SITE?
Max and Louie’s also offers group food packages with just a 10-person minimum — pickup, drop-off, and full-service catering available at any location. Visit maxandlouies.com/catering to place your order.

DEPOSITS AND SERVICE FEE

- A \$25–\$100 deposit is collected prior to the event to secure your date. This amount will be listed on your proposal and automatically deducted from your final amount due.
- A \$110–\$400 service fee is included in your spend minimum. This covers gratuity for your service team; the exact amount depends on event time and staff needed. See your proposal for an estimate.
- A debit or credit card is required to submit the request form, for holding purposes only. You won’t be charged until your proposal is signed, and you can change payment method at any time.

MENU SELECTION

You can choose a preliminary menu while submitting your request form, then adjust as needed up to 5 days prior to your event. Your options include a 3–4 item condensed menu or a buffet.

Buffets are set up prior to arrival, giving you more private time before the doors open to guests. A condensed menu keeps doors open for the majority of the event to allow for full table service.

HEAD COUNT

Headcount (+/- 5) must be confirmed 2 days before your event. You’ll receive an automatic email reminder around this time.

STATE REGULATIONS

All food and beverage items must be provided by Max & Louie’s NY Diner. *No other food or beverage items are allowed in the restaurant without prior approval and may incur additional charges.*

SPECIAL ACCOMMODATIONS

- **AV/TV:** AirPlay can be used on one TV.
- **TABLES:** We arrange tables to suit your event size and purpose. Let us know of any special requests during the booking process. Tables cannot be moved on the day of service.
- **MUSIC:** We can leave our diner-themed music on or off for your event and adjust volume as needed.

DECORATIONS

- Linens can be provided at \$50 per service.
- Other tabletop decorations are permitted. Nothing may be adhered to walls or ceilings, and no confetti. We recommend dropping off personal decorations one day in advance to avoid early-access fees. Extra setup time may incur an additional charge.

PAYMENT OPTIONS

Payment is due in full on the date specified in your proposal. We cannot split checks, but can provide a full quote in advance. If you’re sharing the bill with other guests, we recommend using a cash-sharing app amongst yourselves prior to the event.

If you’ve read and accept the guidelines above, please submit the private room request form and begin booking. Full quotes are provided within 2 days of receipt; time-sensitive events receive priority correspondence.
